

Wildlife Images Rehabilitation and Education Center Visitor Policy

Visitor Safety

Rails/ropes, fencing, rocks and other barriers between you and the animals are there to protect both you and the animals from harm. Please do not lift children over rails, play on rocks, and rest on railings or stick fingers or arms through fences. Stay with your group and tour guide at all times.

Smoking

Smoking is not allowed while on tour; smoking is allowed in designated areas only.

Service Animals & Pets

Service animals are permitted; please alert the guest services staff upon check in that you will have an attending service animal. Please leave your pets at home and not in your vehicle.

Feeding Animals

All animals are on a carefully structured diet. Introducing outside food can harm the animals.

Respecting Animals

Please show respect for the animals by refraining from banging on fences, throwing objects into enclosures, running and putting your fingers through the fences.

Attire

Shirt and shoes are required. Please dress appropriate for the weather as tours run year round, rain or shine. Umbrellas are permitted during tours.

Age Requirements

An adult must accompany children under the age of 12 on compound.

Prohibited Items

For the health and safety of our guests and animals, the following items are prohibited:

- Weapons or Fireworks (except under ORS 166.173(2)9c) and ORS 166.370(3)(d)
- Alcohol or illicit materials
- Pets (except service animals)
- Bicycles, riding toys, skates and skateboards
- Balloons, balls and flying toys
- Noise devices
- Drinking straws
- Gum

Wildlife Images Rehabilitation and Education Center (WIREC) reserves the right to exclude anyone who engages in inappropriate or offensive conduct, as determined by WIREC staff. Wildlife Images is not responsible for lost, stolen or damaged articles.
