**Thanks for your interest in a Wildlife Images Education Internship.  
Reviewing this document is required for application. The following is also  
required at time of application:**

- Resume
- Letter of Recommendation
- Three References
- Completion of application questionnaire

### **Overall Summary**

Wildlife Images Rehabilitation and Education Center in Grants Pass, Oregon is looking to add two summer Wildlife Education Interns to our team from June to September, 2021. These would be full-time, unpaid positions working with children ages 6-11 at our summer camp, called Camp EEK!

Ideal candidates are those interested in becoming Environmental Educators with a passion for wildlife conservation. Those with a background in General Education may also apply. Applicants must also be enthusiastic about working with children and have experience working with children in a professional or educational setting.

### **Internship Description:**

Interns will have the opportunity to...

- Work outside and around animals in the park
- Learn and present ambassador animal encounters to camp kids
- Play games and host activities
- Develop educational activities and curriculum
- Participate in animal experiences such as feeding our resident animals, developing enrichment, learning about husbandry, and helping with group enclosure makeovers
- Experience weekly camp themes such as: Animal Hospital, Kritter Kitchen, Going Buggy, Shark Week and Wildlife Warriors
- Help mentor middle school junior keepers

- Adhere to COVID-19 regulations and proper disinfecting and cleaning protocols
- Help with preparation work such as copying and gathering supplies for crafts
- Educate future conservationists!

**Intern Experience Qualifications:**

- Must be at least 18 years of age to apply
- Have experience in Environmental Education or in a General Education setting
- Have experience working with children
- International students welcome to apply, but must have functional English language/writing skills
- Must be able to work independently and cohesively with co-workers
- Work safely, quickly, efficiently and calmly under stressful conditions and handle multiple responsibilities while following directions and protocols
- Represent Wildlife Images professionally at all times

Our internships are highly competitive and we require interns to work full-time, 40 hours per week, for 16 weeks. Housing is not provided.
